

Prepare for VA's sign-in changes

We're moving to a more modern online sign-in experience — to simplify your options and continue to protect your identity and benefits.

Here's what's changing for VA websites and mobile apps:

- After January 31, 2025, we'll remove the option to sign in with a My HealtheVet user ID and password.
- After September 30, 2025, we'll remove the option to sign in with a DS Logon username and password.
- You'll then have two sign-in account options: **Login.gov** or **ID.me**.

Note: Your health portal isn't going away. We're just changing the way you sign in.
