

## Public Statement from the Board of Directors' Secretary of Vet Info, Inc.

Date: July 22, 2025

On behalf of everyone at Vet Info, Inc., I am proud to share that we have received official acknowledgment from the Florida Department of Agriculture and Consumer Services confirming our compliance with Chapter 496, Florida Statutes - the Solicitation of Contributions Act. This recognition not only affirms our legal standing as a registered charitable organization but also underscores our ongoing commitment to transparency, accountability, and service to our veteran community.

This registration, issued under **DTN 4116272** and Registration Number **CH69170**, is a testament to the grassroots nature of our operations. Our work is carried out entirely by volunteers and uncompensated members who are deeply committed to a single purpose: supporting veterans struggling with PTSD and preventing the ongoing tragedy of veteran suicide.

This recognition enhances our ability to expand our outreach, build stronger partnerships, and deliver essential resources to veterans who need them most—especially those who continue to suffer in silence, unseen by the systems meant to serve them. Through direct engagement and peer-based support, we aim to restore hope where it has been lost and empower veterans to reclaim their sense of purpose and dignity.

We invite you to join us. Tax-deductible donations can be made directly through our website at [www.vetinfo.org](http://www.vetinfo.org). Every dollar supports life-changing programs that help veterans who might otherwise stay hidden. Your support offers real solutions - immediate, compassionate, and effective.

I invite you—the reader—to be part of our mission. Help us reach out to our veterans in need. With your help, we can do this. Together, we can make sure that no veteran is left behind.

With sincere gratitude,

A handwritten signature in black ink, appearing to read "Ron Ackerman", is written over a thin horizontal line.
